

WELCOME TO THE WCSSF

Mission Statement

The West Central Suburban Soccer Federation (“WCSSF”) is an interclub competitive league designed to provide the Recreational Plus Player U10 through U19 (ages 9-18) a competitive experience, while focusing on equitable fair play and good sportsmanship while providing venue for the players to have fun.

Values

Registration will be open to all individuals regardless of skill level.

Teams will be based on the fall team roster with new players being divided equitably by skill level among the previously formed teams.

Team make-up cannot be more than half of the roster from the previous year.

Team division will be based on information from previous coaches when at all possible.

Teams must be randomly selected through club software program.

Teams will not be taken in under the WCSSF league umbrella if the team is not formed according to WCSSF or Indiana Soccer rules.

All players (after the half that is going to be carried over) must go into the pool of players so that teams can be equitably formed each fall.

Scoring teams will only be given a 4-goal margin when in a win occurs. Running up the score is considered unsporting. If a team has a 4 goal advantage the team is to stop the attack and control the ball.

Why Rec Plus?

Rec Plus program, which includes boys and girls teams from ages 9 – 18, participate in the West Central Suburban Soccer Federation (WCSSF) league playing 10 games both Spring and Fall seasons. (The High School Division in the Spring only has 8 games due to the short season.) Games can be scheduled for Saturdays, Sundays and weekday evenings.

Our program is structured very similar to Travel Soccer. Rec Plus teams within the WCSSF travel to other community clubs.

Unlike Travel, Rec Plus does not practice the use of tryouts, [invitations](#), [recruiting](#) or any like process to roster players selectively to any recreational-plus team on the basis of talent or ability. **These practices are strictly prohibited.** Teams accept as participants any and all eligible youths.

Rec Plus encourages participation so every player should play at least 50% of every game. Rec Plus provides an exciting soccer experience for players to develop their technical skills and mental maturity. All youth are encouraged to join Rec Plus Soccer for the fun of playing soccer and to gain the positive experiences of being involved in a team sport.

At this age group, both individual performance and team performance are important. WCSSF has developed into a challenging league composed of very [strong](#) and competitive teams.
