#2: The gender **MUST** be set to **Coed**.

NOTE: This is to make it easier for you to add both girls and boys your teams. Indiana Soccer said the new system will not allow you to place a girl on a boy's team. SO! We are listing the teams as "COED". However, this does **NOT** (emphasize **NOT**) mean that a team is required to have a girl on the team.

#4: The Affiliation will be **USYS**, and the Competitive Level for this section is just **Rec+**.

This will be different than the competitive level in the first section. In the first section, it is listed as **Rec+ WCSSF** so the team adheres to the WCSSF roster rules. The competitive level in under Team Affiliations is so that the team adheres to USYS and Indiana Soccer.

#11: Congratulations. You have registered the team.

You can ignore the “**Pay Now**” buttons since the WCSSF has not authorized credit card payments at this time. **The WCSSF will send you an invoice for ALL your teams plus the annual club fee.**

So, at this point, simply click on the “**Continue to My Account**” button at the bottom.

After your team has been submitted, those associated with your team will get an email confirming the registration.

Melissa Phillips,

Thank you for applying to WCSSF Fall 2021 soccer season.

No games will be schedule over the Labor Day weekend or the weekend of October 16-17, although these dates can be used for make-up games.

The WCSSF will **ONLY schedule games on Friday, Saturday or Sunday**. The weekday nights will be left open for practices, reschedules and homework.

As soon as registration closes, our scheduler will begin working on the schedules. First on the 11U, 13U & 15U divisions; then a week later on the 19U/HS division. Therefore, it is imperative to send any scheduling requests by the close of registration.

Scheduling requests should include:

- a list of any double rostered coaches and their teams;
- blackout dates (only 2 per team) including possible school related dates (i.e. - Prom, Homecoming, etc.)
- dates that your club's fields are closed; and
- dates that your teams **MUST** play at home.

Please send all scheduling requests to Duane Wardle at duanewardle@yahoo.com.

Water testing is required for a successful Fall season.
